Project Analyst, International Policy Centre For Inclusive Growth (IPC-IG)

Location: Brasilia, BRAZIL
Application Deadline: 12th April 2015
Type of Contract: SC
Languages Required: English and Portuguese
Starting Date: 04th May 2015
Duration of Initial Contract: 12 months with possibility of extension

Background

The International Policy Centre for Inclusive Growth (IPC-IG) is a joint project of the United Nations Development Programme and the Brazilian Government to facilitate South-South Cooperation on key development issues. The Centre carries out applied research and its ultimate goal is to generate knowledge resources to the global development community.

The main objectives of the center are to contribute applied research-based policy recommendations for inclusive growth and to facilitate South-South exchange and learning on key development issues. Toward these ends, IPC not only conducts research, but also organizes thematic workshops, policy training seminars, advisory and programme evaluation missions for requesting countries, and hosts resident researchers. The Centre regularly publishes Working Papers, issues of Poverty in Focus, Policy Research Briefs and One Pagers to encourage policy debate and dissemination of knowledge. IPC publications are found at: http://www.ipc-undp.org/pages/newsite/menu/about/pub.jsp?active=0

The main thematic areas of focus for the IPC-IG are: social protection, programme evaluation, cash transfers, social policies and population studies. The Project Manager Analyst will be responsible to support IPC research projects and learning activities.

Duties and Responsibilities

Under the overall supervision of the Director and Research Coordinator of IPC, the candidate is expected to perform the following:

1. Support the activities planning and monitor progress against projects outputs;
2. Prepare and revise project activities and financial contributions and disbursement as per the project documentation;
3. Participate in the recruitment and selection of project personnel and consultants;
4. Ensure proper management of funds and budget planning and control;
5. Monitor financial resources and accounting to ensure accuracy and reliability of financial reports;
6. Manage the implementation of activities and achievement of project outputs on a day-to-day basis through the execution of project activities;
7. Ensure timely preparation and submission of financial consolidated reports and consolidated progress reports as per the timeframe specified in each project;
8. Identify and obtain any support and advice required for the management, planning and control of the projects;
9. Liaise with any service provider and supplier;
10. Disseminate project reports and respond to queries from concerned stakeholders;
11. Undertake any other relevant tasks as required by the project.
