**Background**

The International Policy Centre for Inclusive Growth (IPC-IG) is a joint project between the United Nations Development Programme and the Brazilian Government to facilitate South-South Cooperation on key development issues. The Centre carries out applied research and its ultimate goal is to generate knowledge resources to the global development community.

The main objectives of the center are to contribute applied research-based policy recommendations for inclusive growth and to facilitate South-South exchange and learning on key development issues. Toward these ends, IPC not only conducts research, but also organizes thematic workshops, policy training seminars, advisory and programme evaluation missions for requesting countries, and hosts resident researchers. The Centre regularly publishes Working Papers, issues of Poverty in Focus, Policy Research Briefs and One Pagers to encourage policy debate and dissemination of knowledge. IPC publications are found at: [http://www.ipc-undp.org/pages/newsite/menu/about/pub.jsp?active=0](http://www.ipc-undp.org/pages/newsite/menu/about/pub.jsp?active=0)

The main thematic areas of focus for the IPC-IG are: public policies, social protection, cash transfers, population studies and evaluation of public policies. This Associate Researcher position will integrate IPC-IG Research team.

**Duties and Responsibilities**

Under the overall supervision of the Research Coordination team of IPC-IG, the candidate is expected to perform the following:

1. Undertake literature surveys, carry out research, conduct quantitative and qualitative analysis of selected country programmes and policies;
2. Contribute to IPC-IG publication series, particularly one-pagers and discussion papers;
3. Identify and liaise with key research and policy related partners and institutions;
4. Prepare Terms of Reference and project proposal for future agreements of IPC-IG and donors;
5. Attend missions and policy discussions in Brazil and other countries representing IPC-IG;
6. Assist in organizing Study Tours, workshops and seminars in cooperation with partner institutions;
7. Update IPC-IG staff on current research developments and prepare presentations when requested;
8. Assume duties as needed in support of IPC-IG’s work i.e. attend meetings with stakeholders, receive and brief officials and visitors to the Centre; and
9. Provide technical supervision to interns under his/her supervision.
