

## **Main Challenges for the implementation of social protection programmes:**

**what can we learn from each other and how to move forward?**

- **Issues of Interest for South-South learning and cooperation:  
MIC ↔ LICs    MICs ↔ MICs    LICs ↔ LICs**
- **Issues to highlight for discussions/developments in regional and global fora**

## **Some topics for feedback**

- **Coverage and scope of social protection: life cycle approaches, flagship programmes, how to scale-up pilots.**
- **Mechanisms to build integration between contributory and non-contributory and formal-informal systems**
- **Social Protection beyond anti-poverty programmes: vulnerability, near poor and equity issues.**
- **Social Protection-based systems/pathways – integration and coordination tools:  
income guarantee  
employment/productive inclusion/financial inclusion  
access to social services.**
